YGO Scholarship

YGO students can get a scholarship guarantee through our contract for success!

Although the YGO program works great for students under a 3.0 gpa we wanted to give a special reward to those that have reached and passed that goal.

The contract for success is an agreement between Your Guidance Office (YGO) and an enrolled family. If a family has a student who meets the requirements of the contract for success and does not receive a financial aid award offer (excluding loans) of at least \$5,500 from a college that accepted the student for enrollment the family will be awarded a \$1,000 scholarship to any accredited four year university of their choice. This amount only considers funds that the student or parent do not have to pay back. The \$1,000 will be paid by YGO directly to the college on behalf of the student in the form of a private scholarship.

The requirements can be summed up as the student must have the minimum GPA and follow the guidelines of the program to be guaranteed a scholarship.

Additional enrollment scholarships are offered to in schools and other organizations through our nation wide affiliates. An enrollment scholarship enrolls the student and their entire family into the YGO program at no cost and qualifies them for the contract for success.

Please contact us if you are interested in finding out if there is an enrollment scholarship available in your area.
